I, Joel J. Dunn, being first duly sworn, depose and say that I am the Publisher of the Tooele Transcript-Bulletin, a twice-weekly newspaper of general circulation published each Tuesday and Thursday at Tooele City, Utah; that the notice attached hereto and which is a part of the proof of publication of

**Notice of Intent to Issue
Tentative Approval
Cause No. M/045/027**

BEFORE THE BOARD OF
OIL, GAS, AND MINING,
DEPARTMENT OF
NATURAL RESOURCES,
STATE OF UTAH

IN THE MATTER OF
TENTATIVE APPROVAL OF
A LARGE MINING NOTICE
SUBMITTED BY GENERAL
REFRATORIES COM-
PANY, TOOELE COUNTY,
UTAH

THE STATE OF UTAH TO
ALL OPERATORS, TAKERS
OF PRODUCTION, MIN-
ERAL AND ROYALTY OW-
NERS, AND PARTICULAR-
LY ALL PERSONS INTER-
ESTED IN SECTIONS 14
AND 23, TOWNSHIP 4
SOUTH, RANGE 6 WEST,
SLBM, TOOELE COUNTY,
UTAH.

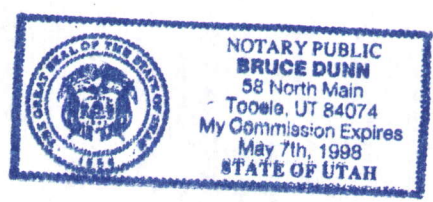

Notice is hereby given by the Division of Oil, Gas and Mining of its intent to issue tentative approval to General Refractories Company for a Large Mine Notice of Intent, filed in preparation to continue mining operations. The name of the operation is the Roudabush Mine. It is an existing mine that is expanding beyond the five acre limitation for small mining operations. Mining activities will affect the following areas: SW/4, SW/4, Section 14, and NW/4, NW/4, Section 23, Township 4 South, Range 6 West, Tooele County, Utah.

Notice of Intent to Issue Tentative Approval
Cause No. M/045/027

was published in said newspaper for one issues, the first publication having been made on the 19th day of May, 19 94, and the last on the day of , 19 ; that said notice was published in the regular and entire issue of every Thursday number of the paper during the period and time of publication, and the same was published in a newspaper proper and not in a supplement.

COPY

General Refractories
Company is fulfilling obligations under the Utah Mined Land Reclamation Act of 1975 (Section 40-8, UCA, 1953, as amended) with specific reference to Section 40-8-18 and will employ the following mining and reclamation techniques on approximately 29 acres of private land.

During Operations

General Refractories
Company will utilize quarrying methods to intermittently mine high-grade silica refractory sandstone. All highwalls will be terraced. Rock will be drilled and blasted and the shot rock will be crushed. Crushed rock greater than 1/2 inch in diameter will be stockpiled and hauled to a processing plant in Utah County. Crushed rock less than 1/2 inch diameter will be stockpiled for reclamation purposes.

Following Operations

General Refractories
Company will remove all mining-related equipment, structures, trash, and debris from the site. The quarry floor, access road, and all other compacted areas will be ripped. Minus 1/2 inch rock will be redistributed over quarry floor and amended with an approved fertilizer. Any salvaged topsoil will be spread over the product stockpile area. The distributed area will be revegetated with a variety of species adaptable to the region.

Any person or agency aggrieved by this tentative decision to issue approval is hereby requested to submit written protest within thirty (30) days of the date of publication to the Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203, setting forth factual reasons for the complaint. If no responsive protests are received by the Division within 30 days after the last date of publication, the tentative decision of the Division will be final.

DATED THIS 13th day of May, 1994.

STATE OF UTAH DIVISION OF OIL, GAS AND MINING

James W. Carter, Director
(Published in the Transcript Bulletin May 19, 1994)
